

# David F. Dinges, PhD

## *A Career Celebration*

After being a faculty member at the University of Pennsylvania for almost 45 years, we take the opportunity to celebrate the distinguished career in research on sleep, circadian biology and astronaut behavioral health of our friend and colleague David Dinges.

Speakers include Hans van Dongen, Janet Mullington, Dwight Evans, Mark Rosekind, Jeffrey Sutton, Michele Carlin, Allan Pack and Mathias Basner, who have all played important roles in David's scientific career.

The event will be hosted online on **Friday, October 15, 2021 at 4 pm Eastern time (ET)**.

We encourage everybody to join the event at this URL: <https://primetime.bluejeans.com/a2m/live-event/gpuxwaud>

We are looking forward to meeting you at the event.

*Allan Pack, Richard Schwab, Mathias Basner*
